LED PAR 30 LAMP

▣ LG-PAR30 11W

APPLICATIONS

LED PAR lamps are a cost effective replacement for old inefficient incandescent lamps. This lamp provides directional light with a high intensity beam.

Ideal for use in restaurants, hotels, retail stores, living rooms, kitchens, conference rooms and other indoor spaces requiring high luminosity lighting combined with significant energy savings.

SPECIFICATIONS

Ordering Information: Example: [LG-PAR30] - [11W] [40]
